Instructions for *Alphabet-Letter Bingo & Lotto*

Caller Cards for the English (Roman, Latin) Alphabet

To use the 26 *Caller* or *Matching Cards* for the lower-case cursive letters of the English (Roman) *Alphabet* as *Flash Cards,* handwriting models, and/or with *Bingo* or *Lotto* grids, cut them apart on the lines. If you wish, you can copy, enlarge, laminate, and/or mount the letters on card stock. If you keep each set together, you can use the cards more than once.

Instructions for *Alphabet-Letter Bingo & Lotto*

Caller Cards for the English (Roman, Latin) Alphabet

On school handwriting guidelines, each of these 26 cards shows the lower-case cursive form of a different letter used to handwrite English.

The English pronunciation of each letter name, "spelled" in roman letters, is below. After = come dictionary symbols for the sounds that letter most often spells in words.

ay = ă ŏ ā ä	 ***bee*** = b	***see*** = k s	 ***dee*** = d	 ***ee*** = ĕ ē	 ***ef*** = f
jee = g j	***aitch*** = h	***I*** = ĭ ī	 ***jay*** = j	 ***kay*** = k	***el*** = l
 ***em*** = m	 ***en*** = n	 ***oh*** = ŏ ä ō	***pee*** = p	 ***cue*** = kw	***ar*** = r
es = s z	 ***tee*** = t	***yoo*** = ŭ o͝o ū yū	***vee*** = v	***doubleyoo*** = w	 ***ex*** = ks gz
wye = y ĭ ē	***zee*** = z				

Instructions for *Alphabet-Letter Bingo or Letter Lotto*

For *Alphabet Bingo* or *Letter Lotto* games, here are two 16-box grids with the lower-case cursive letters *a-z*.

The letters are not printed in alphabetical order. Only the letters *a* to *g* appear in the first column; *h* to *n*, in Column 2; *o* to *t*, in Column 3; and *u* to *z* in Column 4.

Play with 1 or 2 grids at a time. For *Bingo*, if you hear a letter name on your grid, cover or mark its box. For *Lotto*, if you get a *Letter Card* that matches a letter on your grid, put it on that box.

With the grids on these pages, you can play up to eight *Bingo* or *Lotto* games *a-z*.

You can also play:

- **8 games with the upper-case block letters *A to Z*,**
- **8 with the lower-case block letters *a* to *z*,**
- **8 with upper– and lower-case block letters *Aa to Zz*,**
- **8 with upper-case cursive letters *A-Z*,**
- **8 with both upper– and lower-case cursive *Aa-Zz*..**
