

Paired Arabic

(1st Third) *Alphabet Grids* ا to ذ

These *Paired Arabic (1st) One-Third-Alphabet Grids 1 & 2* show the first 9 letters ا (alef) to ذ (thaal). The one vowel and eight consonant symbols appear from right to left at the top and down the right side. In *Roman* spelling, here are the names of the 9 isolated letter shapes—with approximate transliterations into English after an = sign.

ا	ب	ت
alef = a	baa = b	taa = t
ث	ج	ح
thaa = th	jiim = j	haa = h
خ	د	ذ
kha = kh	daal = d	thaal = dh

For practice in recognizing the Arabic letters shapes and saying their names, follow the "Battleship" procedures for *Paired Alphabet Grid* games. After "positioning your ships" on *Grid 1*, try to "hit" your opponent's "ships" by naming the letters of the top and side coordinates. For *spelling and writing* practice as well (in the Arabic and/or Roman alphabet), do *Paired Alphabet Spelling Grid* activities. Instead of "ships," place the *letters of words* in the boxes of the grids on another page.
