## **So What is Language?**

**Language is me.**

**Language is you.**

**Language is people.**

**Language is what people do.**

**Language is loving and hurting.**

**Language is clothes, faces,  
gestures, responses.**

**Language is imagining,  
designing, creating,  
destroying.**

**Language is control and  
persuasion.**

**Language is communication.**

**Language is laughter.**

**Language is growth.**

**Language is me.**

**The limits of my language are  
the limits of my world.**

**And you can't package that up  
in a book, can you?**

*New Zealand Curriculum Development, 1980*
